↓ SKIPPER PERFORMANCE

RELAXED AND LUXURIOUS EXPERIENCE

DAYS

7/14

A captained charter with a crew offers a more relaxed and luxurious experience, as all of the sailing and maintenance tasks are taken care of by the crew.

This allows the charterer to simply sit back, relax, and enjoy the scenic views. The crew is also knowledgeable about the local area and can provide valuable recommendations for dining and other activities.

↓ HOSTESS

Opting for a charter with a hostess adds an extra touch of comfort and convenience to your yachting experience. A hostess onboard takes care of the domestic duties, allowing you to fully relax and enjoy your time on the yacht.

↓ BAREBOAT CHARTER

HANDS-ON AND ADVENTUROUS EXPERIENCE

DAYS

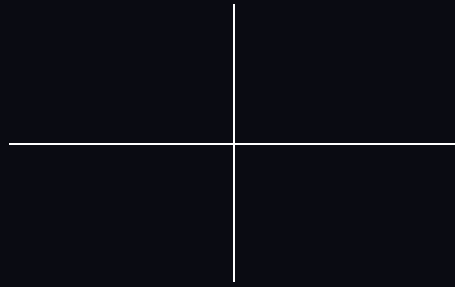

7/14

A bareboat charter provides a more hands-on and adventurous experience, where the charterer is responsible for the sailing and operation of the yacht. This option allows for greater flexibility and control over the itinerary, and is ideal for those with sailing experience.

It is important to note that charterers are responsible for all maintenance and safety tasks, and must have the necessary sailing experience and certifications.
